WEEKLY LINEUP TOPIC

OUR VALUES: TEAMWORK AND INCLUSION

Want to know how a SEAL Team functions as a team? Read this article [here](#) and get some tips on how to incorporate their methodology in your everyday work!

Love working for MSU?

You're not the only one! Forbes has listed MSU as one of "America's Best Employers" for 2017! Click [here](#) to read more about it!

Phantom of the Universe

Desire to explore dark matter, ranging from the Big bang to the discovery of Large Hadron Collider? Head on over to the Abrams Planetarium to see it through the eyes of Fritz Zwicky who coined the term "dark matter". Click [here](#) for details.
