WEEKLY LINEUP TOPIC

Our Values: Social Responsibility

Is it may seem like sustainable practices can be costly and lower sales and profits. In a Ted Talk by Ray Anderson, he explains how his company was able to double profits while completely changing the way business can view sustainable systems.

SPARTAN UPCYCLE STORE

The MSU Surplus Store is pleased to announce its newest venture, the Spartan Upcycle Store. This will be an alternative art and supply store designed to reduce waste and inspire creativity. The Store is set to launch in April 2016.

TRANSPORTATION SERVICES

GOES GREEN

Transportation services has decided to make the switch to propane auto-gas, a greener fuel option compared to regular gasoline. With 400 vehicles in its motor pool fleet and 1,000 total on campus, this will have a big impact on fuel consumption.
