HAPPY COLUMBUS DAY!

Today, we commemorate the landing of Christopher Columbus in the New World on October 12, 1492. Today has been a national holiday since 1937. Since then, it has become a celebration of Italian-American Heritage. However, not everyone celebrates Columbus Day. In Hawaii, October 12 is known as Discoverers’ Day, and in the State of Washington, they celebrate today as National Indigenous Peoples’ Day.
