Today marks the 14th anniversary of the terrorist attacks on our country. Please take a moment to remember the lives lost, and honor our brave heroes that helped during a great time of need.

**WEEKLY LINEUP TOPIC**

**OUR VALUES: A MINDSET OF INNOVATION**

This year we set another record for applications. Catering to all these students requires us to find innovated solutions to complicated problems. Find out more about this diverse set of students and see how you can become more efficient in the work place.

**MODELS NEEDED**

Creative Services is in need of real students who live on campus for a photo shoot next week. Students would need to be available Monday or Tuesday during the day to participate. If you know anyone who would be interested they should send headshots to creative@rhs.msu.edu.

**COLLEGE GAME DAY**

This Saturday College GameDay is heading to MSU for the much anticipated MSU vs. Oregon game. Show your support for the Spartans this weekend and be prepared for a great day of college football.

Go Green!
