**WEEKLY LINEUP TOPIC**

**FISCAL RESPONSIBILITY**

Currency relies on marketing and the belief that banks and governments are trustworthy. In this TEDtalk Paul Kemp-Robertson opens our eyes to a new type of currency, one that relies on marketing the private brand. A concept similar to our very own Spartan cash system.

---

**MSU LIBRARY OPEN HOUSE**

There are plenty of resources in the MSU Libraries, but very few get to really experience them! Check out the new makerspace in the Main Library, touch rare books, win prizes, and see how the libraries can help you be more successful. Learn about the many resources Michigan State has to offer students in order for them to become more successful students. The Event is from 10AM to 4PM.
