Today is the first day of the season! Celebrate the season by visiting Uncle John’s Cider Mill in St. John’s. Open seven days a week 9AM-8PM, they also have many daily events.

The web is full of valuable data that can fuel your research, but gathering everything together in a usable form can seem impossible. At this seminar on campus, you can learn how to bulk download text, images, video, and various other kinds of data from the web using simple tools! Hosted by MSU Administration, it will take place at Old Horticulture, room 112, from 1PM-2:30PM.
